This Schedule forms part of the Policy wording and must be read in conjunction with the applicable wording.

For policy valuation purposes all amounts stated in the policy including sums insured, limits of cover and deductibles, are expressed inclusive of VAT at 14%. For clarity it is noted that in cases where a deductible is expressly recovered by an Insurer from an Insured the excess amount in terms of the policy so recovered does not constitute a consideration as defined in the VAT Act and as such has no VAT consequence.

In terms of a ruling issued by SARS, this document together with proof of payment of premium constitutes an alternative tax invoice, debit note or credit note as contemplated in sections 20(7) and 21(5) of the VAT Act respectively.

Clauses

Sanction Limitation and Exclusion Clause

The Insurer shall not be deemed to provide cover nor shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the Insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Asbestos Exclusion Clause

This policy does not cover any claims of any kind whatsoever directly or indirectly relating to, arising out of or in consequence of:

1. the actual, alleged or threatened presence of asbestos in any form whatsoever, or any material or product containing, or alleged to contain, asbestos; or
2. any obligation, request, demand, order or statutory or regulatory requirement that any Insured or others test for, monitor, clean up, remove, contain, treat, neutralize, protect against or in any other way respond to the actual, alleged or threatened presence of asbestos or any material or product containing, or alleged to contain, asbestos.

However, this exclusion shall not apply to any claim caused by or resulting in a crash fire explosion or collision or a recorded in-flight emergency causing abnormal aircraft operation.

Notwithstanding any other provisions of this Policy, the Insurer will have no duty to investigate, defend or pay defence costs in respect of any claim excluded in whole or in part under paragraphs 1 or 2 hereof.

All other terms and conditions of the Policy remain unchanged.

Date Recognition Exclusion Clause

This Policy does not cover any claim, damage, injury, loss, cost, expense or liability (whether in contract, tort, delict, negligence, product liability, misrepresentation, fraud or otherwise) of

any nature whatsoever arising from or occasioned by or in consequence of (whether directly or indirectly and whether wholly or partly):

- (a) the failure or inability of any computer hardware, software, integrated circuit, chip or information technology equipment or system (whether in the possession of the Insured or of any third party) accurately or completely to process, exchange or transfer year, date or time data or information in connection with any change of year, date or time:

whether on or before or after such change of year, date or time;

- (b) any implemented or attempted change or modification of any computer hardware, software, integrated circuit, chip or information technology equipment or system (whether in the possession of the Insured or of any third party) in anticipation of or in response to any such change of year, date or time, or any advice given or services performed in connection with any such change or modification;
- (c) any non-use or unavailability for use of any property or equipment of any kind whatsoever resulting from any act, failure to act or decision of the Insured or of any third party related to any such change of year, date or time;

and any provision in this Policy concerning any duty of Insurers to investigate or defend claims shall not apply to any claims so excluded.

Insurers Liability Clause

Insurer's liability several not joint

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each insurer (or, in the case of a Lloyd's syndicate, the total of the

proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

Contracts (Rights of Third Parties) Act 1999 Exclusion Clause

The rights of a person who is not a party to this insurance or reinsurance to enforce a term of this insurance or reinsurance and/or not to have this insurance or reinsurance rescinded, varied or altered without his consent by virtue of the provisions of the Contracts (Rights of Third Parties) Act 1999 are excluded from this insurance or reinsurance.

Nuclear Risks

This Policy does not apply:

- i) to loss of or destruction of or damage to any property whatsoever or any loss or expense whatsoever resulting or arising therefrom or any consequential loss
- ii) to any legal liability of whatsoever nature

directly or indirectly caused by or contributed to by or arising from:

- (a) the radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof;
- (b) ionising radiations or contamination by radioactivity from, or the toxic, explosive or other hazardous properties of, any other radioactive source whatsoever.
